Dear Parent/Carer

Y4 Pedestrian Skills Training - 1 December 2026

We are excited to share that the East Riding of Yorkshire Council Road Safety team are able to offer our Year 4 pupils Pedestrian Skills Training on the 1 December 2026.

The training is designed to give pupils vital road safety skills as they approach the age where they will start to

The training includes an interactive workshop in a classroom for the whole group for around 30 to 40 minutes. This will explain the basics of how to cross the road safely. Following on from this will be live road training, when small groups of children are taken out (maximum of 5 children to 1 instructor) to local roads and taught the safest way to cross on roads, including at junctions and between parked cars. At the end of the training the children will receive a certificate.

All pupils attending the training should wear appropriate clothing for the weather - pupils will be trained even if it's raining, so waterproofs and warm clothing are advisable.

The cost of the training is £2 per pupil.

If you would like your child to attend the training, consent and payment should be made through the Arbor app or web portal. The closing date for registering is Friday 20 November 2026.
