Dear Parents/Guardians

On Monday 19th October we are having our first outdoor learning day. This is a day where we will be outside for the majority of the day, some activities will relate to our curriculum, and others will have more of a focus on social skills and the wider world. The children will need to come to school dressed in clothes that are appropriate for being outside all day in (this does not need to be uniform). Please can you send them in clothes that are ok to get dirty and muddy. Please dress your child in layers so we can take a layer off if we get too warm running around or add layers if we get chilly in a less energetic activity.

Lunch and break times will run as normal, so the children will still have their usual opportunities to eat and play.

Please also consider sending your child in with a change of clothes and spare shoes, particularly if the weather is wet or muddy. We don't expect the conditions to be too bad, but if the forecast is looking particularly wet closer to the day, we will send out any additional information that may be helpful.

Thank you
The Year 4 team
