Friday 13th November 2026

Dear Parent/Carer

On Friday 11th December, Year 4 will visit Airmyn/Hook as part of our geography curriculum. The visit to the Rivers Aire and Ouse will enrich their classroom based learning about the different features of a river.

The visit will take place during normal school hours. Children should wear school uniform and are encouraged to bring sensible outdoor footwear (walking boots or wellington boots) in a named bag to change into and a warm, waterproof jacket so that they are prepared for walking a short distance to and from the coach and along a river bank. The children will be walking a safe distance from the river's edge.

Children can bring a small backpack to carry a snack to eat whilst we are out and a water bottle, as well as their fieldwork equipment. Children will return to school for lunch. Can we please remind you that we are a nut-free school.

There will be a charge of £3.00 for the trip, this will cover the cost of the bus to and from Airmyn. **Please note, the cost of the trip will be covered for those families who are eligible for targeted FSM (Free School Meals) however, parental consent is still required.**

Please confirm (student name) attendance via the "Trip" consent on Arbor **on or before Tuesday 1 December 2026.**

As with all school visits, no child will be discriminated against on the basis of non-contribution. However, if enough funds are not received, the visit may need to be cancelled.

If you have any concerns regarding this trip, please get in touch with your class teacher.

Many thanks for your continued support.
Year 4 team
