Dear Parent/Carer

As part of our school's vision to enrich the learning opportunities for our children, we are delighted to share that Year 6 will take part in an outdoor learning day on Wednesday 25th November 2026.

As part of our World War II history topic, we will be taking part in Evacuee themed activities to help deepen the children's understanding of what life was like for children living in Britain during the war. Activities will include an air raid shelter experience, war time games and many more activities.

The experience will take place on the school grounds, during normal school hours. Children should bring their usual packed lunch or have a school dinner as normal.

The majority of the activities will be outdoors and we would recommend that the children come dressed in PE kit and in warm layers for the cold weather including;

- A warm, waterproof coat
- Hat
- Gloves
- A spare pair of outdoor shoes/ wellington boots.

We hope this immersive experience will be a memorable and enjoyable opportunity for the children to bring their learning to life.

Kind regards
**Year 6 Team**
