School Access Arrangements

Entrance / Exit

From Tuesday 2nd September 2025, between 9:15am and 3pm, the car park gate on Howden Junior School will be closed/locked to all parents and children.

Continuing from this academic year, all children and adults from both Howden CoE Infants and Howden Junior School are to enter the school sites through the same entrance - located on the Howden CoE Infant School site. Parents from both schools are encouraged to remain with their children on the school playground until their children have been directed to their classes.

Parents and children attending Howden CoE Infant School will continue to enter via their usual classroom doors.

Members of SLT will be present on the school grounds each morning to support.

Shared School Office

Should you need to drop off your child late or collect them early, you should do so via the Howden CoE Infant School office. A member of staff will then collect your children from the respective school and bring them to you in the office reception. Please be understanding that this may take a little longer whilst staff fall into this new way of working.

Where possible, please:

- Make medical appointments outside of school hours – if this is unavoidable please make an early morning or late afternoon appointment then your child can get their attendance mark.
- Ensure your child is not late for school

Please continue to use the respective School Office numbers:

Howden CoE Infant School : 01430 430767 / Howden.Infants@eastriding.gov.uk

Howden Junior School: 01430 430385 / Howden.Juniors@eastriding.gov.uk

Thank you for your continued support.
